Mike,  
Please call [Ex. 6 - Personal Privacy] He has been dubbed the "whistleblower" as he worked for Cabot. He is one of the [Ex. 6 - Personal Privacy] litigants whose water deliveries will stop per DEP 11/30/11. His telephone number is [Ex. 6 - Personal Privacy]

I am waiting for [Ex. 6 - Personal Privacy] to get home [Ex. 6 - Personal Privacy] to give you a more complete list of who to contact from the affected Dimock residents. Please call [Ex. 6 - Personal Privacy] SHE is ready to talk and is one of the litigants against Cabot from Dimock.

Please call [Ex. 6 - Personal Privacy] litigant against Southwestern, Lenox PA who has high barium at [Ex. 6 - Personal Privacy]

Please call [Ex. 6 - Personal Privacy] they have affected water and no replacement source for several months now. Their well water developed a sulfur smell and small bubbles post fracking by Williams at a well pad about .5 mile from their home.

Please call [Ex. 6 - Personal Privacy] his water was degraded by drilling mud (barakade, bentonite/silica while coil tubing and directional pipeline drilling was occurring. In any event...he has had bad water for 3 mos and running. His telephone is [Ex. 6 - Personal Privacy]
